**Messrs R & J Bowle's 1st Prize Heifer
Sold for £1880**

A good entry for the Monthly Show & Sale with a packed ring full of buyers. Fresh calvers and in-calvers close to calving in exceptionally strong demand. The Show was won by **Messrs R & J Bowles** who were awarded the Best Heifer and Best Cow prizes by judge **Mr Bernard Taylor**, with sponsorship kindly provided by Exeter City Council. The prize winners realising £1880 for the heifer, Sidedowns Rumour Butterfly 361, and £1820 for the 2nd calver Sidedowns Linden Kahlua 20. Friesian heifer calves to £355 from **Messrs DJF & CE Burrough**. The herd dispersal of the Five Fords herd for **Mr W Waller** met keen demand despite a large proportion of the herd being older cows and the herd being non pedigree. Buyers bid keenly for the British Friesian types close to calving or freshly calved, with Mr Waller selling to a top of £1850 for a second calver, with heifers to £1650 and even 7th to 10th calvers consistently around the £800 mark.
