***** IMPORTANT NOTICE - FOOD CHAIN INFORMATION *****

As of 1ST JANUARY 2010 Food Chain Information (FCI) must be provided by livestock keepers for all cattle, sheep and goats sent for slaughter including livestock markets

You will no doubt have received notification of this and what information is needed in correspondence from the Food Standards Agency sent to all livestock farmers recently.

We will need this information here in the Market to pass on to our slaughterhouse buyers. We will need a new style buff coloured Exeter Market Entry Form to accompany your stock to market as by filling in the animal details on the front, and signing the form, the declaration on the back will confirm that your animals are fit for human consumption. This applies to all stock on a Monday market & some of the stock on Friday markets as some animals from the store market may go to slaughter. If your animals are still under restriction for slaughter on Fridays i.e. withdrawal dates etc. then you will need to declare this and notify the person booking in your stock.

New AML1 forms for sheep and goat movements are available which have a section on the back for you to enter FCI.

If you require further information please contact the Auctioneers.

PRIMESTOCK MARKET REPORT – MONDAY 23rd JULY 2010

TOTAL SHEEP (1247)

**** PLEASE NOTE – VERY IMPORTANT ****

Can Vendors who have cull ewes as well as lambs PLEASE make sure that they submit SEPARATE EMA Entry Forms as the new DEFRA AML1 Forms only require the total number. We now have a new buff coloured Entry Form with an FCI Declaration on which will cover your animals to go to slaughter. This will help in making sure that your sheep are correctly booked in & it is very much in your own interest to do so if you want your cheque on time.

PLEASE PUT YOUR FABBL STICKERS ON THE MARKET ENTRY FORM NOT ON YOUR MOVEMENT FORMS AS IT CAUSES CONFUSION WHEN BOOKING IN YOUR STOCK.
